Course Description

This 7-hour refresher course on appraisals is required of all certified mineral appraisers on a tri-annual basis.

This required 7-hour continuing education course, copyrighted by The Appraisal Foundation, focuses on USPAP requirements for ethical behavior and competent performance by appraisers. The course will help you gain competency in USPAP, and it will help those subject to state licensing or certification and continuing education requirements imposed by professional organizations, client groups, or employers gain competency as well.
