One of the three legs¹ of the IIMA Stool is **EDUCATION**. That is the purpose of this Venue! We, *Certified Minerals Appraisers* of the IIMA will guide a full-day session of Do's and Do-Not's, when **estimating the Market Value** of producing and in particular of undeveloped mineral estates. **Credit for CE is being sought for attorneys, accountants, appraisers and landmen.**

¹ The other two legs are **CERTIFICATION** and **REPRESENTATION**.

We aim to reach not only our own IIMA members, but also the legal and accounting professionals. These latter, together with financial planners, landmen, brokers and landowners constitute the MARKET that deals in mineral estates, be it for sale/purchase, for estate planning or similar activities.
